## PROFESSIONAL SUMMARY

Results-driven Full Stack Developer and UI-focused Software Engineer with 5+ years of experience building responsive web, mobile, and desktop applications. Strong hands-on expertise in React, Next.js, React Native, Flutter, Electron, JavaScript, REST APIs, and MongoDB. Proven track record of improving application performance, delivering SEO-optimized web experiences, and collaborating in cross-functional teams to release production-ready features.

## TECHNICAL SKILLS

- **Frontend:** React, Next.js, JavaScript, HTML5, CSS3, Bootstrap, Chakra UI, Redux, Tailwind CSS
- **Mobile & Desktop:** React Native, Flutter, Electron
- **Backend & APIs:** REST APIs, Node.js, EJS
- **Database & Tools:** MongoDB, GitHub, Bitbucket, Jira, Git
- **Design Tools:** Photoshop, Illustrator, CorelDRAW

## PROFESSIONAL EXPERIENCE

### Software Engineer | Encodency Pvt. Ltd

*May 2026 – Present*

- Developed and maintained full-stack web applications across frontend interfaces, backend services, REST APIs, database workflows, and admin systems.
- Built reusable responsive UI components and API-driven workflows, boosting code reusability and contributing to scalable application architecture.
- Translated complex product requirements into maintainable frontend and backend features while collaborating across implementation, testing, and release workflows.
- Contributed to SEO-focused web experiences through structured page content, metadata-driven implementation, responsive behavior, and frontend performance improvements.

### Full Stack Developer | Visao Solutions Pvt. Ltd., UP

*Apr 2025 – Apr 2026*

- Delivered scalable web, mobile, and desktop applications using React, React Native, Flutter, and Electron for diverse client projects.
- Implemented dynamic PDF generation with EJS and data-driven workflows by integrating secure REST APIs with MongoDB.
- Developed responsive, SEO-focused websites with reusable UI components, improving page load speed and overall user retention.
- Managed end-to-end UI development, API integration, debugging, feature delivery, and production deployment for key projects including **Jaldhara Polytubes, MealQ, Study Torch, and enterprise Reports**.

### Full Stack Developer | Qwerty Thoughts, Delhi

*Feb 2022 – Mar 2025*

- Developed responsive React interfaces using Chakra UI and integrated REST APIs with MongoDB-backed applications to streamline data workflows.
- Built and maintained high-performance Next.js applications featuring SEO-friendly structures, responsive layouts, and clean frontend architecture.
- Translated design requirements into production-ready UI, actively contributing to feature implementation, bug fixing, and iterative performance tuning.
- Utilized Jira, GitHub, and Bitbucket for issue tracking, source control, code reviews, and agile team collaboration across major projects including **Isha Sadhguru, Conscious Planet, Gramaotsavam, RCU, and Sadhguru Academy**.

### Frontend Developer | Select Destination Hotels, Delhi

*Jan 2021 – Jan 2022*

- Designed and developed fully responsive hotel booking websites using HTML, CSS, JavaScript, and Bootstrap for seamless desktop and mobile experiences.
- Converted creative design mockups into structured, modular website sections ensuring cross-browser compatibility and consistent responsive behavior.
- Created engaging UI mockups, promotional website banners, and digital marketing assets utilizing Photoshop, Illustrator, and CorelDRAW.

## SELECTED PROJECTS

- **Jaldhara Polytubes & MealQ:** Built responsive cross-platform web and mobile interfaces, integrating RESTful APIs and optimizing state management for smooth user interactions.

- **Isha Sadhguru & Conscious Planet:** Developed scalable, SEO-friendly Next.js and React web applications handling high volumes of daily web traffic.
- **Study Torch & RCU:** Engineered robust frontend features and data-driven backend workflows using MongoDB and modern UI component libraries.

## EDUCATION

- **Web Development Certification |** Delhi Institute of Computer Science, Tilak Nagar
- **Bachelor of Arts (BA) |** Delhi University (School of Open Learning), Jun 2017 – May 2020
- **Senior Secondary (10+2) |** Govt. Boys Sr. Sec. School, Rajouri Garden, Mar 2017
- **Secondary (10th) |** Govt. Boys Sr. Sec. School, Rajouri Garden, Mar 2015

## LANGUAGES

- English, Hindi
