Designing Wellness. Delivering Excellence.

Complete Panchkarma & Spa Solutions

From Concept to Completion

Our Journey

Ensis began with a simple belief – that wellness spaces deserve the perfect blend of tradition, innovation and quality. Over the years, we have grown into a trusted name in Panchkarma and Spa solutions, delivering end-to-end turnkey projects across India.

As a dedicated wellness division of Design House India Pvt. Ltd., a leading design agency established in **2004**, we bring two decades of design excellence, creativity and project expertise to the wellness industry.

Why Choose Ensis?

-  Deep understanding of Panchkarma principles and spa operations
-  Creative designs that blend tradition with modern aesthetics
-  High-quality materials and custom manufacturing
-  End-to-end turnkey execution with timely delivery
-  Reliable after-sales support you can count on

Our Legacy in Numbers

Our End-to-End Solutions

Our Promise

To create exceptional wellness environments that inspire healing, enhance experiences and deliver long-lasting value.

“ We don't just build spaces,
we create experiences that touch lives. ”
